

K-LOVE is a wonderful station and I listen to it everyday. It is the only station that I listen to for all of my music and news. It would be very devastating to me and my family if K-LOVE were to be displaced by an LPFM broadcaster with other programming. The service K-LOVE provides is essential to the community, not only reaching Christians, but also reaching non-Christians as well. It is vital to provide this type of programming to our youth in our community. It is a family oriented "safe" radio station that doesn't play any music that is offensive, inappropriate or violent. Please do not change K-LOVE broadcasting!!!!
